

Norths Registration and Game fees for 2009

Dear Members and parents,

At a meeting of Norths Board on Thursday 5th March, management's recommendation regarding fee increases during 2009 was approved.

Norths has not increased on line registration or game fees for 6 and 5 years respectively, absorbing inflationary increases in operating costs and over this time a 33% rise in the charge levied by Basketball NSW on the Association for each registered member.

The increases are required to ensure the Association has sufficient funds to operate your programmes and meet ongoing financial obligations to third parties.

Set out below is a schedule of the new fees and charges for Registration and Game Fees, Paid in Advance, (PIA) and Pay As You Go, (PAYG) and the date they become effective which is, broadly speaking when the current competition concludes. A schedule of ancillary fees eg nomination, joining, affiliate, forfeit fines etc will be posted to the web along with this schedule.

The fees are for on line payments effected by members or patrons. Norths welcomes payment over the counter or by telephone but a \$ 7.50 processing fee applies in these circumstances.

Note paying game fees in advance, (PIA) provides a substantial per game discount and also enables successful teams to compete in the Playoffs and Gala Day at no further charge, (Seniors up to 3 playoff games, Juniors up to 2 playoff games and Miniball Gala Day).
